SENATOR DICKINSON: I move the amendment be adopted, Mr. Speaker.

PRESIDENT: Do you need to discuss the amendment? Question is, do you want to adopt the amendment? If you're in favor of adopting the amendment vote aye. If not vote no. Senator Whitney, Senator Whitney, would you do me a favor and punch out Senator Stahmers light. Senator Stahmers white light? When we're moving this fast, I'll tell you what, if one of those lights is on, it sure does cause some confusion. Oh, those white lights.....well.....you don't sometimes whether he's hiding over behind the post or not. That's the problem. Voting on Senator Dickinson's specific amendment to Select File to LB821. I'll wait for you, Senator Marsh. Okay, have you all voted? Clerk will record. The amendment is adopted. Senator Dickinson, what is your pleasure?

SENATOR DICKINSON: E & R for Engrossing.

PRESIDENT: All right, Senator Dickinson has moved that LB821 be readvanced as amended. All those in favor of the readvancement of the bill please say aye. Those opposed say no. So ordered, the bill's readvanced.

CLERK: Now, Mr. President, we have a motion to return LB826 to Select File for specific amendment. Mr. President, the motion is to return LB826 to Select File for specific amendment, signed Senator DeCamp.

PRESIDENT: Is the bill bracketed on Final Reading?

CLERK: Yes.

PRESIDENT: Senator DeCamp.

SENATOR DE CAMP: Mr. President, members of the Legislature. I think by this time most of the members of the Legislature have been contacted by people concerned about this particular amendment. All the amendment does is make sure that if city codes are more strict than state standards, then the city codes will apply and I urge you to adopt the amendment and I do so with great reluctance but with the realization that it's necessary.

PRESIDENT: Did the motion include in bracketing the bill?

SENATOR DE CAMP: Yeah.

PRESIDENT: Okay, the motion is in order then. The question is, do you want to return LB826 to Select File for a specific amendment. If you do, vote aye. If not, vote no. This is a motion to return LB826 but you are returning the bill only at this time...LB826 from Final Reading to Select File for specific amendment. Thank you. Clerk will record. Whoop. Senator Syas voting aye. Just go ahead, we'll wait for you, Senator Syas.

CLERK: Wait a minute, George, it didn't register....there.

PRESIDENT: Okay.

CLERK: 30 ayes to return.

PRESIDENT: Very good. LB826 is now on Select File. Senator DeCamp.
